THE FREEDOM TRAIL®

Historic Pub Crawl

FOR THE
LOVE of BOSTON™

FOR THE LOVE *of* BOSTON™

Revolutionary ideas came from speeches at Faneuil Hall and meetings of the Sons of Liberty, but their courage and inspiration was fermented in Boston's taverns. Led by guides in 18th-century garb, visit legendary watering holes where founding fathers, such as Sam Adams and Paul Revere, brewed the rebellion that led to freedom. Enjoy a variety of sample-sized Samuel Adams beers and Boston fare at taverns like **The Green Dragon Tavern, The Bell In Hand Tavern, Union Oyster House, and The Point.**
